INDEPENDENT AUDITOR'S REPORT

To,
The President
SAMAJWADI PARTY

Report on the Financial Statements
We have audited the accompanying financial statements of **SAMAJWADI PARTY**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Income and Expenditure for the year then ended, and a summary of significant accounting policies and other explanatory information.

Party's Responsibility for the Financial Statements
The Party is responsible for the preparation of these financial statements in accordance with the accounting standards and laws in force. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Party's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the party, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion and to the best of our information and according to the explanation given to us and subject to the Notes on Accounts, the financial statements give information in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
